PROVINCIAL ATHLETIC MEET 2026 TECHNICAL GUIDELINES

1. All coaches and officiating officials are required to attend the solidarity meeting on the date and venue stated in the Division Memorandum for the drawing of lots and presentation of the technical guidelines and ground rules by the Tournament Managers of the different sports event.

2. Sports events shall be classified into two categories:

Category I – School Sports Club Competition - this category is intended to promote grassroots sports development, encourage wider participation among learners, and strengthen school-based sports programs thru specific sports event.

Category II – Palaro Competition - this category shall consist of sports events identified as priority disciplines for higher-level competitions. The specific sports events under this category shall serve as the official selection competitions for athletes who will represent the Schools Division to Palarong Bicol up to Palarong Pambansa.

However, for winning athletes in the measurable events (Archery, Athletics, and Swimming) who failed to meet the Qualifying Time Standard (QTS) for Palarong Bicol, their slots shall be given to other events from Category I upon recommendation of the Tournament Manager and the Technical Management Committee subject to the approval of the Schools Division Superintendent.

3. The **Olympic Medal System** shall be applied to determine the overall champion and ranking based on the combined results of sports events in Category I and Category II. Hence, ranking shall be based on the total number of Gold, Silver, and Bronze to be contested in the different sports events for Category I & II as provided in *Enclosure No. 2*.

3.1 Medals awarded in the demonstration sports shall not be included in the medal count earned by the delegation.

3.2 The top 5 municipal delegations shall be recognized based on the overall standings in the official medal tally.

4. The scheme of the selection of athletes and winning coaches, assistant coaches, chaperones and officiating officials are as follows:

- **For Team Events** – The Provincial Athletic Meet 2026 shall adopt the Winner-Take-All (WTA) Policy for all team sports (Basketball, Baseball, Softball, Football, Futsal, Sepak Takraw, and Volleyball) where all team members shall

CamScanner

come from the same school as core team except for Sepak Takraw. A complementary athlete from the same municipality may be added if the school did not complete the core team. These team events may add three (3) players coming from different schools within their municipality as stated in *Modified Plus 3 Athletes Scheme*. The **Qualifying Time Standards (QTS)** for measurable sports such as Athletics, Swimming, and Archery shall also be adopted. The Division of Catanduanes ***may*** add 3 players from other competing teams to represent the province for the Palarong Bicol 2027.

- **For Sepak Takraw Event** – Each Regu may be represented by different schools within the municipality. The champion coach during the municipal meet shall serve as the coach in the Provincial Athletic Meet with players coming from the different schools (Best Regu) within the municipality. The champion coach in the Provincial Athletic Meet shall serve as the coach in the Regional Meet coming from the different municipalities (Best Regu) in the division.

- **Core Team** – Refers to the team comprising student-athletes enrolled in the same school bearing the same unique School ID, regardless of whether the school fields the minimum or maximum number of student-athletes. The Core Team roster shall, as a general rule, be preserved in its entirety throughout the duration of the competition.
