Dear RD Dr. Sadsad:

Dios Marhay na Aldaw po.

Warmest and Blessed Greetings of **Peace** and **Excellence** from *GML Review and Consultancy*!

We thank you for the erstwhile Advisory for our recently conducted SHARP for both Clusters last September and October. We appreciate the support that you cascade to organizations like us who share the same passion and commitment in delivering quality education to the learners.

It is with great pleasure to channel this **Letter-Request** for ROV Advisory for the **Schools Convergence Collaboration** with our upcoming Review Module – the SHARP – Sunday Higher Academic Refresher Program 2.0 to start on **November 22,** 2026 and **BUCET Final Coaching** to start on **November 21-22, 2026** at BU CSSP Daraga, Albay.

With this Advisory, this will be our attachment guide/reference as we visit respective Schools for courtesy call to School Principals as we discuss the dynamics of the Review. This is a potent leverage as we surmount possibilities of collaboration and linkages with the Schools in bringing the best in the propensities of the Bicolano learners.

Attached are collaterals for reference.

Fervently hoping and praying for positive consideration and response.

Wishing all Schools the **continued** and **steadfast success.**

We look forward to serving your organization further; with **client satisfaction**, **delight** and **advocacy** always in mind. God bless. **Thank you very much** and more power! Dios Mabalos.

Very *excellently* and *respectfully* yours,
