Grand Testimonial :

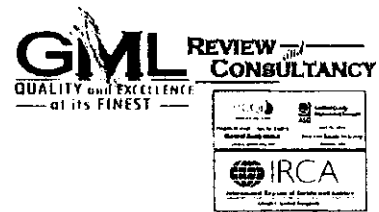

The Good Lord, indeed, has plans that are better than ours - and when you believe it, and when you least expect it, it will be granted!

My journey to taking the Career Executive Service - Written Examination (CES WE) is quite a roller coaster. It took me a while to finally decide on taking the exam as I doubt myself if I have the necessary competencies to take it. Yet after a few discerning moments, I decided to give it a try - after all, as they said, every journey begins with a single step.

Through common friends on social media, I came across Sir Gilbert Liwat and his GML Review and Consultancy Services. Knowing that some of the people I look up to follow him, I decided to avail myself of the review packages it offers (specifically Packages 1 and 11). Perhaps, that is one of the best investments I have ever made for this journey - investing in review materials. Although I only availed of these two packages, the contents are invaluable. It has a wide array of studies, summarized notes, sample essays, highlighted salient features of different management and leadership theories and concepts, indispensable tips, and numerous questions that, in a way or two, allow you to be familiarized with the manner the questions were framed.

Finally, I mailed my application for the WE days before the deadline for December 2022 examination. This is after deciding not to file for September 2022 Exam and the Legaspi City Exam schedule because of loads of work. Yes, my preparations happened long before I applied for the exam.

This has also driven me to attend GML's Final Coaching via Zoom for Visayas and Mindanao examinees, yes, I took my exam at Cebu! It is here that the valuable tips for taking the exam were given by GML - from the people to strategies, to what to wear. The mock exam was equally worthy, plus the wonderful how-to-use-the-money tips are outstanding.

Unfortunately, a few days before December 2022 exam, I have not received my Exam Permit yet and decided to call CESB which informed me that I cannot be accommodated anymore for the December exam but instead relayed to me that I will be accommodated in the January 2023 Cebu Exam schedule. I felt disappointed at first, as I thought I was at my best for the December exam. Nonetheless, I shifted my vantage point and tried to look at the silver lining of it: I still have more than a month to prepare.

And the rest, as they say, is history.

Thus, I share this joy with all who have made this journey possible: my family, colleagues, and fellows at DepEd whose interactions filled my cup of experience, my DepEd Iriga family, and all those who always believed in me, even at times that I don't.

To GML Review and Consultancy Services and Sir Gilbert Liwat, I am sharing this joy with you, too!

I am certain it is His will to not allow me to take the exam last September and the Legaspi schedule. It is His plan that I was not able to receive my Exam Permit for December 2022 schedule. It is His plan that I have friends who sent me the CESWE form. It is His will that I came across with GML.

It is all His plan - plans that are better, bigger, and bolder than mine.
