**DEPARTMENT OF INFORMATION AND COMMUNICATIONS TECHNOLOGY (DICT)**  
**digitaljobsPH Technical Training**

1. As part of the Capacity Development Program in harnessing ICT human capital in the country the Department of Information and Communications Technology (DICT) is proposing the conduct of **digitaljobsPH Technical Training**.
2. It is a project of the Department of Information and Communications Technology (DICT) intended to create meaningful online ICT-enabled jobs in the countryside. It focuses on advocating digital opportunities through online freelance work.
3. The Department launched a more intensive digitaljobsPH Technical Training started last 2017 and now in year 2021, in collaboration with the Department of Education.
4. The target participants or beneficiaries are the teachers especially those that are working part-time, displaced and affected by COVID-19 pandemic.
5. The training primarily aims to increase trainee's hireability and employability by focusing on the development and improvement of their ICT and marketing skills tailor fit to home-based online jobs.
6. With the teachers as the targeted participants, the English as a Second Language (ESL) for Job and Business Course, a 24-day online technical training (4 hours/session) and 21 days online campaign will be offered to the teachers.
7. At the end of the course, the trainees will be able to learn ICT-related skills, increase and develop their four macro skills (reading, writing, speaking, and listening) and utilized it for employment purposes especially for online opportunities like online teaching services.
