# DIVISION MEMORANDUM OSDS-SGOD-SHN-DM- 07 S, 2024

# UPLOADING OF THE WINS DATA FOR SY: 2022-2023 AND 2023-2024 UNDER THE NEWLY ENHANCED ONLINE MONITORING SYSTEM (e-OMS)

To : Assistant Schools Division Superintendent Chiefs, CID, and SGOD Public Schools District Supervisors Elementary and Secondary School Heads All other concerned

1. In compliance with the OUPS No. 2024-93-993 Memorandum re: Guidance on Uploading of the Wins Data for SY: 2022-2023 and SY: 2023-2024 under the newly Enhanced Online Monitoring System (e-OMS), all Elementary and Secondary School Heads are advised to upload the WinS data for Sy: 2022-2023 on or **before February 15, 2024**, However, uploading Wins data for SY 2023-2024 will be put on hold and wait for further issuance of separate memorandum regarding this matter.

2. Attached is the Memorandum OUOPS No. 2024-09-993 and Annex – WinS Enhanced Online Monitoring System User's Manual for Schools for your reference.

3. For information and immediate action.

BY AUTHORITY OF THE SCHOOLS DIVISION SUPERINTENDENT:

EVA S. TOLENTINO Administrative Officer Officer-In-Charge

Defield MATATAG MATATAG

# Republic of the Philippines **Department of Education** OPERATIONS

OUOPS No. 2024-<u>9</u>-<u>993</u> **MEMORANDUM** 

ТО	: ALL REGIONAL DIRECTORS AND BARMM EDUCATION MINISTER SCHOOLS DIVISION SUPERINTENDENTS CONCERNED ALL REGIONAL AND DIVISION WINS COORDINATORS SCHOOL HEADS CONCERNED
FROM	: Atty. REVSEE A. ESCOBEDO Undersecretary for Operations
SUBJECT	: GUIDANCE ON THE UPLOADING OF THE WINS DATA FOR SY 2022-2023 AND SY 2023-2024 UNDER THE NEWLY ENHANCED ONLINE MONITORING SYSTEM (c-OMS)
DATE	: February 02, 2024

The Department of Education (DepEd) Order No. 10, s. 2016 or the Policy and Guidelines for the Comprehensive Water, Sanitation and Hygiene (WASH) in Schools (WinS) Program defines the quality standards for water, sanitation, hygiene, deworming, and health education. DepEd, through the Bureau of Learner Support Services–School Health Division (BLSS–SHD), crafted this policy in order to promote correct hygiene and sanitation practices among school children and a clean environment in and around schools to keep learners safe and healthy. The WinS Program is implemented through an integrated system known as the Three-Star Approach (TSA) designed to support monitoring, quality assurance, and performance recognition, as stipulated in DepEd Memorandum No. 194, s. 2018 or the Implementing Guidelines to DepEd Order No. 10, s. 2016 (Policy and Guidelines for Comprehensive Water, Sanitation and Hygiene in Schools Program). The WinS TSA puts a premium on both the improvement efforts of the school community and the results of those efforts.

After years of WinS policy implementation, DepEd and its development partners have agreed on the necessity of integrating the WinS Online Monitoring System (OMS) into the Basic Education Information System (BEIS). In this regard, the BLSS–SHD, in close coordination with GIZ [*Deutsche Gesellschaft fur Internationale Zusammenarbeit*], UNICEF (United Nations Children's Fund), and Save the Children Philippines, is amending DM 194, s. 2018 to reinforce and strengthen the WinS Program monitoring and implementation by:

SHD\_VBB/02052024

coordination with GIZ [Deutsche Gesellschaft fur Internationale Zusammenarbeit], UNICEF (United Nations Children's Fund), and Save the Children Philippines, is amending DM 194, s. 2018 to reinforce and strengthen the WinS Program monitoring and implementation by:

- a. ensuring that the issues and concerns on WinS data and WinS monitoring can be addressed;
- b. enhancing the interface and navigation experience of the coordinators by incorporating more user-friendly features on the Wins Online Monitoring System (OMS);
- c. updating the process flow in navigating the Enhanced OMS (E-OMS); and
- d. providing flexibility for changes in technology and upgrading of platforms and systems used in WinS Monitoring.

In this regard, the following annexes shall be used as reference or guide for the uploading of the needed WinS data for the current school year (SY) covering the **SY 2022-2023** and **SY 2023-2024**:

- a. **Annex A:** WASH in Schools Enhanced Online Monitoring System User's Manual for Schools (see Attachment 1 for details); and
- b. **Annex B:** WASH in Schools Enhanced Online Monitoring System Administrator's Manual for Schools Division IT Officer and School ICT Coordinator (see Attachment 2 for details).

Further, keeping in mind the change in the opening of the school year, the integration of the enhanced OMS into the BEIS, and pursuant to DM 194, s. 2018, the uploading of WinS data for **SY 2022-2023** in the e-OMS shall be completed not later than **February 15, 2024** while for **SY 2023-2024**, the uploading shall be open from **February 20, 2024** to **May 31, 2024**.

Moreover, as articulated in the WinS policy, DepEd recognizes the invaluable support of stakeholders in achieving the objectives of learning and health outcomes via a comprehensive school-based implementation of the WinS program. As such, the WinS policy strongly encourages and supports various governance levels to engage its partners and key stakeholders to strategically participate in program management and implementation.

While most schools find ways to intensify and identify potential partners to support its program implementation, which includes but not limited to, establishing WASH facilities like sex-segregated toilets, this Office respectfully reiterates the following:

- a. While DepEd applauds local initiatives to promote gender-responsive basic education per DepEd Order 32, s. 2017, the WinS policy ensures the provision of sex-segregated toilets as one of the minimum requirements (crucial indicators) for a school to reach at least a star level;
- DepEd strongly prohibits any personnel or official to engage in any form of financial solicitation or donations from any individual or organization to improve the WASH conditions and/or compliance of the schools to WinS standards;
- c. compliance to WinS standards to improve star level requires creative utilization of available resources that will not require any school to spend beyond the allocated program funds of the Department;

SHD\_VBB/02022024

- d. the WinS Three-Star Approach (TSA) is a system used to monitor, quality assure, and recognize the efforts of schools and should not be used for competition between and among schools;
- e. **DepEd Memorandum 13, s. 2021** or the "Designation of WinS Coordinators in the Department of Education Regional and Schools Division Offices" officializes the coordinatorship at the regional and schools division offices. In the absence of a separate non-teaching personnel facilitating the program, the school head shall fulfill the role as the Chair of the WinS Technical Working Group (TWG) at the school level. Teachers shall not be permitted to perform any and all tasks related to the program to ensure that academic interventions and inclass learning will be prioritized.

For more information, please contact **Ms. Magdalene Portia T. Cariaga**, Senior Education Program Specialist and **Mr. Vonerich B. Berba**, Education Program Specialist II of the Bureau of Learner Support Services-School Health Division under the Nutrion and Hygiene Team through email at <u>blss.shd@deped.gov.ph</u> or <u>telephone</u> <u>number</u> (02) 8632 9935.

Immediate dissemination of this Memorandum is desired.

### Annex A

# WASH IN SCHOOLS ENHANCED ONLINE MONITORING SYSTEM USER'S MANUAL FOR SCHOOLS

## 1. INTRODUCTION

This manual is intended for the person in charge of maintaining the WinS Monitoring System in the School. It contains instruction on how to input data, generate the reports, and upload the data into the online system.

The WinS Monitoring System is composed of the paper-based WinS Monitoring Form which will be accomplished by the schools, the Excel-Based WinS monitoring System which will be used to encode data from the monitoring form, and the WinS Online Monitoring System which will be used to upload the data from the Excel-Based System and generate aggregated reports for use in the Division, Region and National Levels.

The latest version of the Monitoring Form, Excel-Based System and Online Monitoring System can now be accessed at **<u>https://oms.wins.deped.gov.ph</u>**.

**Note**: Uploading via <u>http://deped-wins.sysdb.site</u> is no longer an option.

# 2. EXCEL-BASED WINS MONITORING SYSTEM

The Excel-Based WinS Monitoring System will be used to encode data from the monitoring form. The system can be opened using Excel 2007 and above. Each school shall have one file containing data for one school year.

### **2.1.** Entering data in the Excel-Based WinS Monitoring System

The data entry module of the Excel-Based System can be access by clicking on the "Entry" worksheet found in the lower left section of the screen. The user can only encode data in cells which are colored white. The user can click the "Tab" of "Enter" keys to move to the next cell in the system.

Certain cells in the system have predefined options which the user needs to select. To enter data for these cells, the user has to click on the dropdown arrow which will appear when the cell is activated and select the appropriate value. Entering invalid values will result in a message box warning the user that the data entered is no valid. In order to proceed with encoding the data, press the "Cancel" button and enter the correct data. There are also cells which require numeric values such as enrolment data. These cells will not accept letters or special characters.

If drinking water is from a refilling station, the school requires a water quality certificate Water from an accessible water source is boiled Water from an accessible water source is filtered Others 7. In the previous week, how often is water for daily handwashing and cleaning of toilets available in the school regardless of source? (This includes water delivered to the school or collected from rain)			

**2.2.** Accessing the Reports in the Excel-Based WinS Monitoring System

The WinS 3-Star Matrix for School can be accessed by clicking on the "Matrix" worksheet found in the lower left section of the screen. It provides an overview of how the school is performing in the 40 WinS indicators. The performance is color coded with Red being the lowest at 0 star, followed by Yellow at 1 star, Green at 2 stars and Blue at 3 stars. Ideally a school will target to move the lowest performing indicators to the next level in order to improve the quality of WinS implementation.

Clicking on any of the indicators will bring the user to the WinS 3-Star Report for Schools which shows the detailed milestones that a school needs to achieve in order to reach the national standard at the third star. The result found in this report are based on the information encoded in the data entry module of the system.

The WinS 3-Star Report for schools can be access by clicking on the "3Stars" worksheet found in the lower left section of the screen. It provides a detailed view of all the 40 WinS indicators and the milestones that a school needs to achieve in order to reach the national standard. A check in the report would signify the rating for a particular indicator. In the example below, the school has already met the criteria for 2 stars for W.S1-1 which is the indicator for Safe Drinking Water. The system will automatically provide the scores for each of the indicators based on the data encoded in the data entry module and compute the overall rating of school which, in this case, is one star.

The basis for computing the overall rating is the average score of all the indicators matched against the continuum scale below. There are also 5 crucial indicators which are pre-requisites for a school to move beyond 0 star. The 5 crucial indicators are Safe Drinking Water, Gender-Segregated Toilets, Group Handwashing Facility, Group Handwashing Activities, and Access to Sanitary Pads. If a school scores 0 in any of the 5 crucial indicators, it shall automatically be a 0 star school regardless of its overall rating.

The WinS 3-Star Charts for Schools can be access by clicking on the "Charts" worksheet found in the lower left section of the screen. It provides the same information as the WinS 3-Star Matrix but in a more graphical view.

# 3. CREATION OF USER ACCOUNTS AND ROLE DESIGNATION FOR WINS IN THE USER ACCOUNT MANAGEMENT SYSTEM (UAMS).

The enhanced Online Monitoring System utilizes the User Account Management System (UAMS) of the Enhanced Basic Education Information System (EBEIS). To access the system, an administrator account for the WinS Online Monitoring System must be created. Please contact your respective IT Officer.

### 3.1. Creation of Administrator account for WinS OMS

1. Access the site <u>http://lis.deped.gov.ph</u> and login using your credentials.

# 3.4. Creation of School WinS Coordinator account for WinS E-OMS

To upload the Excel-Based WinS Monitoring Form, a user account with the role of **WinS Coordinator** must be created. The account creation of this role can be accomplished by the account with the assigned **WinS Administrator** role.

 Login to <u>https://oms.wins.deped.gov.ph</u> using the account with the assigned WinS Administrator role. On the Menu, click the Administration.

**Note:** As a WinS Administrator, you can only select WINS on the Personnel List option. This will let you manage school accounts for WinS.

- 2. Follow Steps 3 11 of **3.1 Creation of Administrator account for WinS** OMS.
- 3. Follow Steps 1 5 of 3.2 Assigning the School WinS Administrator role.
- 4. The personnel information page will appear, click the **"Add Role**" button then choose **WinS Coordinator**.

### 3.5. Password Reset module

One of the benefits of integrating WinS OMS to the EBEIS is the password reset module. Users can request password reset as follows:

- WinS Coordinator must request to WinS Administrator
- WinS Administrator must request to School ICT Officer
- 1. Login to <u>https://oms.wins.deped.gov.ph</u> as WinS Administrator or School ICT Officer. Click on the **Menu**.
- 2. Click Administration.

5. A "*Username* password reset to default." notification message will be displayed to indicate that the password has been set to default. You can now advice the requesting user to login using the default password. Click the close button.

# 3.6. Accessing the Upload School System Module

Entering the correct username and password will give the user access to the various modules of the system. Move the mouse to the **Modules Menu** in the upper right section of the screen, then click **the Upload School System** command to access the Upload School System Screen.

School ES Dashboard		Dashboard Upload School System View Findings 0
School Summary		Reports Download Blank Form
Category	Score	You can
Water	No star	download a
Sanitation	No star	
Hygiene	No star	Excel-based
Deworming	No star	WASH IN SCHOOLIOTT By clicking
Health Education	No star	Blank Form
Score	0	command.
delacruz.winscoor is logged in.		

When the Upload System Screen appears, click on "**School Profile**" button. Then, select the file containing the Excel-Based System for your school. Click on the "**Upload**" button to send the data into the online monitoring system. The system will display a confirmation message if the file was successfully uploaded. An error message will appear if the Excel-based System was not successfully uploaded.

oload School Syste	em Screen	
School Year	2022 - 2023	Choose a file to unload
Level	Elementary	Ghoose a nie to upload.
Region	Sample Region	
Division	Sample Division	School Profile
School District	Sample District	Back 💿 Upload Now
School	Sample ES	

In case the school needs to make changes in the data, update the Excel-based System first. Then, repeat the process of uploading the updated file. This will overwrite the old data with the latest one. The school can make changes in the online monitoring system as long as data for the school year has not yet been finalized.

### 4. HELPDESK

For inquiries and concerns encountered in the system, please contact icts.usd@deped.gov.ph or visit support.deped.gov.ph.

#### Annex B

## WASH IN SCHOOLS ENHANCED ONLINE MONITORING SYSTEM ADMINISTRATOR'S MANUAL FOR SCHOOL DIVISION IT OFFICER AND SCHOOL ICT COORDINATOR

#### 1. INTRODUCTION

This manual is intended for the Division IT Officer and School ICT Coordinator. It contains instruction to Manage User Accounts. The WinS Monitoring System is composed of the paper-based WinS Monitoring Form which will accomplished by the schools, the Excel-Based WinS Monitoring System which will be used to encode data from the monitoring form, and the WinS Online Monitoring System which will be used to upload the data from the Excel-Based System and generate aggregated reports for use in the Division, Region and National Levels. These are discussed in more detail in the User's Manual for Schools.

The latest version of the Monitoring Form, Excel-Bases System and Online Monitoring System can be accessed at <u>https://oms.wins.deped.gov.ph</u>.

#### 2. WINS ENHANCED ONLINE MONITORING SYSTEM

The enhanced online monitoring system can be accessed at https://oms.wins.deped.gov.ph. It was designed primarily to upload the Excel-Based System that was encoded by the schools and generate aggregated reports that will be useful to the Divisions, Regions and National levels. It also has system administrations modules to manage the user accounts.

#### 2.1. LOGGING IN

Accessing the website will bring the user to the login page single-sign on of the Learner Information System/Enhanced Basic Education Information System (LIS/EBEIS). Login using your Division or School ICT account.

Please sign in	
Usemane	
Passwood	* Please contact your
Sign in	respective IT Officer if
	you still do not have a
Forgot password?	user account.
For class advisers, request School Head or designated school system administrator to reset password. For school heads, request Division Planning Officer to reset password.	

### 2.2. MANAGING USER ACCOUNTS AND ROLES

This module allows the system administrators to add and edit user accounts. There are two(2) roles that can be assigned for the WinS enhanced Online Monitoring System, these are the **WinS Administrator** and **WinS Officer/Coordinator** role. The former allows the user to add, edit user account and assign the roles for the division officers and school personnels while the latter can upload the Excel-Based WinS monitoring Form and generate reports.

For **Division IT Officer and School ICT**, assigning the WinS Administrator of the division or school is the first step to access the system. For new accounts, create the account using the User Account Management System (UAMS) facility of LIS/EBEIS then assign the WinS Administrator role.

# 2.2.1. ASSIGNING ADMINISTRATOR ROLE

1. To assign the WinS Administration role, navigate to Administration page.

2. Select WINS on the drop-down option in the Personnel panel.

Personnel s	ample

# 2.3. ASSIGNING THE WINS OFFICER/COORDINATOR ROLE

Once you secure the account with the WinS Administrator role, you can now create and/or assign the WinS Officer/Coordinator role. The WinS Officer role can validate and upload the Excel-based WinS Online Monitoring Form. For School, the WinS Coordinator can only upload the Excel-based WinS Online Monitoring Form. Note that the WinS Administrator role has the upload and/or validate privileges.

1. For WinS Administrator of the Division or School, logging using your account.

# 2.5. UPLOADING THE EXCEL-BASED ONLINE MONITORING FORM

The enhance WinS Online Monitoring System has a feature to allow Division WinS Officer to upload the Excel-Based Online Monitoring Form on behalf of the school. Using this feature, the schools with intermittent internet connection can submit their accomplished form to their respective Division Officer.

1. Assess the WinS enhanced Online Monitoring System using your issued account. On the upper right portion of the screen click the **Module** menu then click **Validation Findings**.
