SUBJECT: Conduct of Post Distribution Monitoring- Super Typhoon Uwan

Dear SDS Abayon,

Greetings of peace and solidarity from Educo Philippines!

Educo Philippines remains committed to implementing interventions that uphold children's rights, particularly the right to equitable and quality education, even in times of disasters and emergencies. In December 2025, Educo Philippines responded to the Immediate and emerging needs of active children or sponsored children affected by Super Typhoon Uwan. The typhoon significantly disrupted children's daily activities, prompting the provision of humanitarian support to help address their urgent needs where we distributed Learners Kit and School kits to 27 partner schools.

In line with our commitment to accountability, monitoring, and learning, we would like to inform you of the conduct of a **Post Distribution Monitoring Activity**. This activity aims to assess the effectiveness and reach of the assistance provided, as well as to gather feedback directly from beneficiaries. Enumerators from Educo will facilitate the activity.

Details of Activity:

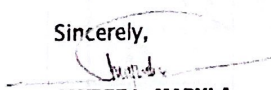

- **Type:** Key Informant Interview with target Teachers, School Head and Learners
- **Date:** January 28 – February 3, 2026
- **Location:** Partner schools in Caramoran, Catanduanes (5 HS and 22 ES)

We respectfully seek your permission and support to conduct this activity, which will help strengthen the future humanitarian responses and ensure that assistance remains effective, relevant, and responsive to the needs of children and communities.

Should you have questions or clarifications, please do not hesitate to contact our Project Coordinator, Ms. Remi Arciga, at 0977-802-2376 or email remelita.arciga@educo.org.

Thank you very much for your continued cooperation and support. We look forward to your favorable response.

Sincerely,

JAYPEE L. MAPULA
