**Contingency SPD-Humanitarian for Rapid
Humanitarian Response in the Philippines**

27 January, 2025

MA. JEANY T. ABAYON

Officer-In-Charge, Assistant Schools Division Superintendent
Department of Education, Division of Catanduanes
Virac, Catanduanes

Dear **Ms. Abayon**:

Greetings!

We at Educo Philippines, together with UNICEF, would like to express our sincere thanks for your continued support of our project activities. We believe that for a child to truly thrive, we must look after their mental and emotional health just as much as their physical safety and education, especially during difficult times.

In line with this commitment, we would like to reach out regarding our previous coordination for the PFA sessions. Please accept our apologies for the challenges encountered during the process, which unfortunately delayed the rollout for our elementary students. We know it took some time to coordinate the school-based rollout, as the discussions regarding the alignment of our manuals required a very thorough review and reached various levels of consultation.

To get things moving, we've directly consulted also DepEd Region 5 and they fully support the PHO PFA manual as the purpose and intention are the same. Yet, we've agreed to move forward with a community-based rollout instead, with respect to DepEd's directives and protocol. This decision allows us to use the manual our volunteers created together with the Provincial Health Office (PHO) of Catanduanes. Since this manual was crafted based on the recently conducted training, we believe that conducting the sessions in the community will allow the volunteers to apply the skills they gained during the training. Further, to use the tools they were trained on to ensure they feel confident and effective in their roles. In this regard, we are hoping for your continued support as we move these sessions to the community level. We would also like to ask for your permission to allow the DepEd staff we have trained to join us as facilitators during these weekend sessions.

Should you have any questions and/or clarifications, please do not hesitate to reach **Ms. Alexandra Sophia B. Espinosa** at alexandra.espinosa@educo.org or at **09635588066**.

Thank you very much for your support.

Sincerely,

JAYPEE MAPULA
OIC-Program Manager
