# ALCHEMY EDUCATION SOLUTIONS

20 January 2026

Supt. MA. JEANY T. ABAYON

Schools Division Superintendent

Department of Education Schools Division of Catanduanes

Virac

Dear Superintendent Abalon,

We are writing to present a unique opportunity for the Department of Education to partner with our Educator Empowerment Program (EEP) in transforming basic education in the Philippines. Together, we can empower our educators and inspire excellence in teaching and learning across the country.

The EEP is a groundbreaking reform initiative designed to address the pressing need for improved teaching and learning in public K-12 schools. Despite their dedication, many educators face challenges such as limited access to training, classroom resources and innovative teaching methodologies, that impede their ability to unleash their full potential and support their students' success.

The EEP is a comprehensive solution to these challenges, equipping teachers with the knowledge, skills, motivation and values necessary to become true catalysts for rapid school improvement. Participating schools have already reported remarkable outcomes in student engagement, academic achievement and overall morale—evidence of the program's transformative effectiveness.

By partnering with the EEP, the Department of Education can play a pivotal role in advancing this impactful initiative. The program aligns seamlessly with DepEd's mission to provide accessible and quality education for all and addresses systemic challenges with actionable solutions. Some of the benefits include:

- **Empowering Educators Nationwide.** The EEP provides training and mentorship that elevate the capacity of all teachers in each school to drive meaningful change in their classrooms and communities.
- **Strengthening Public Schools.** The program fosters improvements in teaching quality, school and student performance, benefiting schools across the country.

- **Supporting Sustainable Development Goals.** The initiative complements national education priorities and contributes to long-term goals in educational reform and community upliftment.
- **Cost-Effective Implementation.** The EEP's scalable, targeted interventions maximize impact while ensuring affordability—a strategic investment for DepEd's resources.

We are confident that this partnership will create lasting positive changes in our education system, empowering teachers and uplifting communities throughout the Philippines. We would be honored to discuss this opportunity further and explore how the EEP can complement DepEd's ongoing initiatives and priorities.

You may reach me through my email [jesse.mateo@empowered.ph](mailto:jesse.mateo@empowered.ph) or through my colleague, Mr. Kenneth C. Tirado, Director for Advocacy and Stakeholder Relations at [kenneth.tirado@empowered.ph](mailto:kenneth.tirado@empowered.ph) or his mobile at (0908) 872-9881.

Thank you for your time and consideration. Through the EEP, we can transform public education and contribute to making the dream of quality education for all Filipinos a reality.

Yours in the service of Philippine education,
