January 9, 2026

MR. GILBERT T. SADSAD, CHIEF OF
Regional Director
DepEd - Marikina

Greetings from the Division Office of the Department!

We extend our warmest congratulations to the winning teams of the 2025
National High School Science Olympiad Competition, which is scheduled to be held on
January 23, 2026, from 8:00 AM to 5:00 PM at the Marikina City Convention Center. The
winning teams will be announced on January 23, 2026.

1. Team Alpha, Marikina City - DepEd Marikina
2. Team Beta, Marikina City - DepEd Marikina

For the early guidance and proper supervision of the student teams to depart on, each
division is required to issue an official letter of authorization for the participation. The
authorization may be the student's school letter, or a duly authorized representative from the
school's office. Other DDO's support in the selection and preparation of the concerned
participants.

For the early guidance and proper supervision of the student teams to depart on, each
division is required to issue an official letter of authorization for the participation. The
authorization may be the student's school letter, or a duly authorized representative from the
school's office. Other DDO's support in the selection and preparation of the concerned
participants.

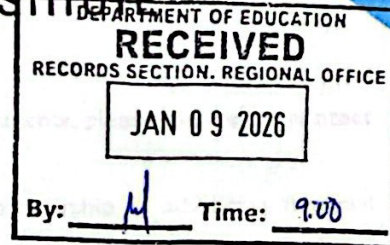

We are also inviting the following DepEd Marikina Division Office staff to attend the
event on January 23, 2026:

1. Participants who should also attend the event including their parents/guardians, hotel
arrangements, and meals for the day of the event for the aforementioned students, their
parents/guardians, and the DepEd staff.

With this, we are requesting your approval of the authorized attendees to be present at the
National High School Science Olympiad Competition from January 23 to 25, 2026. In line with the
competition schedule, we will be on January 24, 2026, one day prior to the event, while
departure will be on January 25, 2026.

MR. GILBERT T. SADSAD, CESO III
Regional Director
DepEd - Region V

Greetings from Junior Achievement of the Philippines!

We extend our sincere congratulations to the following students who have qualified to advance to the **Math Chronicles National Competition**, which is scheduled to be held on **January 26, 2026, from 1:00 PM to 5:00 PM in Metro Manila**. Please be advised that the final venue remains subject to confirmation and will be announced in due course.

1. Beringuela, Kidd Rayven V. - GOA Central School
2. Dycoco, Roummel Tres M. - Virac Pilot Elementary School

For the safety, guidance, and proper supervision of the student during the competition, **each student is required to have one (1) companion** for the entire duration of the competition. The companion may be the student's adviser, coach, or a duly authorized representative from the Schools Division Office (SDO), subject to the discretion and approval of the concerned authorities.

We are also inviting **Mr. Loyd H. Botor**, the Education Program Supervisor, from Regional Office - Region V to attend the mentioned event.

JA Philippines will shoulder the **travel expenses** (excluding checked-in baggage), **hotel accommodation**, and **meals on the day of the event** for the **mentioned students, their companion, and Mr. Loyd Botor**.

With this, we are requesting your approval of the mentioned attendees to be present at the **Math Chronicles National Competition** from **January 25 to 26, 2026**, in line with the competition schedule. Arrival is set on **January 25, 2026**, one day prior to the event, while departure will be on **January 26, 2026**.

MATH CHRONICLES

National Competition Guidelines

Date: January 26, 2026

Time: 1:00 PM - 5:00 PM (Registration starts at 12:00 NN)

Venue: TBA

Companion Requirement:

The participating student **must be accompanied by a designated companion** for the duration of the competition. The companion may be the student's adviser, coach, or a duly authorized representative from the Schools Division Office (SDO), subject to the discretion and approval of the concerned authorities.

Attire of Students:

Participating students shall wear their **complete school uniform with ID** during the competition and all official activities.

MATH-MAZING QUEST

Math-Mazing Quest is designed to make math both engaging and meaningful for students. By integrating gameplay with learning objectives, the activity encourages participation, builds confidence, and allows for informal assessment in a low-pressure setting. The competitive element, driven by a point system and rewards, motivates students to perform their best while reinforcing key math concepts in a fun and interactive way.

Level 1 Forgotten Forest: Explore Number and Algebra through solving mathematical equations to advance through the forest. The topics included are: GEMDAS, decimals, fractions, ratio and proportion.

Level 2 Equation Enclave: Master Measurement and Geometry to restore a broken realm. The topics included are: Angles, Shapes, Perimeter, Area, and Volume

Level 3 Cosmo Dreamland: Enter the realm of Data and Probability. Interpret tables, graphs, and pie charts, and compare data sets. Apply theoretical probability and pattern recognition to restore balance in a universe on the brink of chaos.

MECHANICS

Starting Points

- All players begin the game with 1,000 points.

Choosing Questions

- On a player's turn, they may choose:
 - The topic (example: math, logic, word problems, etc.)
 - The point value associated with the question
- Higher point values correspond to higher difficulty levels.

Difficulty Levels & Time Limits

- Easy Level: 30 seconds
- Medium Level: 45 seconds
- Hard Level: 60 seconds

Scoring

- Players earn points by correctly completing and answering the equation within the time limit.
- If a player answers incorrectly or runs out of time:
 - No points are earned for that question.
 - (Optional mechanic) The selected points may be deducted.

Steal Mechanic

- Each player has one opportunity to steal during the entire game.
- If the active player answers incorrectly
 - One opposing player may attempt to steal.
 - The stealing player has 15 seconds to answer.
 - If correct, the stealing player earns the full point value.
 - If incorrect, no points are awarded.

Game Flow

- Players take turns in a clockwise order.
- A player may only attempt one question per level.
- Once a player uses their steal, they cannot steal again for that level.

LEARNING INSTITUTE**

Winning the Game

- The game ends when:
 - A set number of rounds are completed, or
 - A time limit is reached.
- The player with the highest number of points at the end wins.

Tie-Breaker (If Needed)

- Tied players answer one Hard-level question.
- The first correct answer wins.

PARTICIPANTS

The **Top 10 Grade 6 students** from each participating region, based on their overall performance in the regional rounds, will advance to the National Competition to represent their respective areas.

Region V

1. Beringuela, Kidd Rayven V.
2. Dycoco, Roummel Tres m.

Region VIII

1. Curate, May Gabrielle C.
2. Gualban, Ma. Arianna S.
3. Cabriana, Fate, Y.

Negros Island Region

1. Aguirre, John Dave M.
2. Toledano, kate allyson S
3. Rubi, James Tyrel, A.

National Capital Region

1. Isidro, Mack Caden Geniblazo
2. Obliga, Alonie Evan P.
