Dear SDS Dela Rosa;

Greetings!

The Philippine Statistics Authority being the lead implementer of RA 11055 or the Philippine Identification Act of 2018, is tasked to register all Filipino citizens for National ID. As of 31 August 2023, we already registered 236,547 registrants. However, there are still around 7-thousand unregistered individuals based on the 2023 projected population.

The gradual re-opening of face-to-face classes provides a great opportunity to register the unregistered students and personnel. Permitting us to conduct the National ID Registration would greatly help Catanduanes to attain the remaining 7-thousand target before the end of 2023.

In reference to the Office Memorandum No. 2021-272 re Partnership with the Department of Education (DepEd) on the conduct of the PhilSys Step 2 registration, we would like to request for your permission to allow us to conduct registration in schools within the province.

In this regard, may we request your assistance on the following:

1. Dissemination of information to schools within the province on the conduct of PhilSys Step 2 Registration on-wheels;
2. Accomplishment of List of Unregistered for the National ID Form;
3. Provision of schedule of availability of all unregistered; and
4. Preparation of acceptable supporting document/s.

The school personnel, students and their adult family members will be given priority in the PhilSys registration. During the registration, the teacher will also be requested to accompany the students permitted to register to PhilSys.

For your questions and/or clarifications you may contact us through philsyscatnes20202@gmail.com or contact Ms. Cielo Mae Q. Del Rosario through mobile number **0946-141-2871**.

My warmest regards and stay safe.

Sincerely yours,

ANAVI F. CAMACHO
Chief Statistical Specialist
