The Superintendent
Schools Division Office
Department of Education

Subject: Invitation to Upcoming Professional Development Programs

Dear Superintendent,

Greetings of good health and high spirits!

Apothem Learning Center remains steadfast in its commitment to the Department of Education's mission of advancing teaching standards across the country. In support of this vision, we have curated a suite of professional development programs for the second quarter of 2026, specifically designed to upskill Philippine educators and school leaders.

In line with this, we cordially invite the school leaders, teaching personnel, and non-teaching staff within your division to participate in these sessions. We respectfully request an official endorsement for **information dissemination purposes**, ensuring that these opportunities are brought to the attention of our dedicated civil servants.

Our goal is to provide educators with accessible, high-quality options for their voluntary professional growth. These programs are strictly aligned with the current DepEd priority thrusts and the Philippine Professional Standards for Teachers (PPST).
